

AUTOMOBILIA COLLECTORS CLUB of AUSTRALIA

(Incorporated in NSW)
Website: www.accaclub.org.au

Founded in 1992, our Club is for those interested in collecting automobile-related items. Like advertising signs and literature, radiator badges, body badges, identification plates, motoring club badges, mascots, hub caps, spark plugs, number plates, garage tools and equipment, motor manuals, motoring accessories, and even pedal cars. In addition, most members collect the vast range of oil industry-related items of general garagenalia. This includes: petrol pumps both manual and electric; oil bottles with their tops and racks; petrol, oil and grease tins; both box-ends and pine boxes for 2 x 4 gallon tins; enamel and tin advertising signs; road maps, ephemera, historical photos, advertising material and associated pieces, etc.

Our highly informative quarterly THE ACCA MAGAZINE of usually 32, mainly in colour, pages, educates members on this exciting collecting hobby. Depending when you join during the membership year, you receive the previous issue magazine/s. Four typical covers of more recent issues of THE ACCA MAGAZINE are shown. Annual get-togethers are held in each State, and in New Zealand.

Membership Fees: Australia \$60, all overseas countries Au\$70.

(Junior Memberships are available for anyone under 16 to receive the four magazines. Fees: only Au\$20)

Our "Club Year" is from 1 July to 30 June each year.
